平江路

Pingjiang Road

平江路是一条百年古道，她承载百年洗礼，却依然是小桥流水、粉墙黛瓦如同神工巧匠般存在，呈现婉约柔美的风格。庭院里花木承祥有致，石板斑驳，仿佛如江南女子般温婉。

江南丝竹之声，喜气热闹。赶得巧，听一段评弹或昆曲的渊源，看台上戏子说唱弹唱，也不由置身其中神采飞扬。

美韵姑苏情怀深，恰逢新人遇此处。

Lined with old-style architecture, Pingjiang Road has maintained its appeal over the past 800 years with its signature canals against arched cobblestone bridges, weeping willows, and white washed homes featured in many Chinese paintings. The sounds of the Jiangnan region can often be heard playing on both sides of the street, allowing passersby to immerse into Chinese romance with the lingering charm of the ancient times.

A romantic couple is shown in a close embrace at night. The man, on the right, is wearing a dark tuxedo with a bow tie and has his eyes closed, smiling. The woman, on the left, is wearing a light-colored, ruffled dress and is looking down with a gentle smile. They are surrounded by numerous out-of-focus light sources, creating a bokeh effect of bright white and blue circles against a dark background. The overall mood is intimate and romantic.
